

COLVILLE
COMMUNITY HEALTH TRUST

Kia Ora,

We are pleased to update the amount raised by the Christmas Art Exhibition for our ongoing fundraising towards construction of The Colville Project's 'Wellbeing and Education Centre'. Lindsay Garmson's lovely raffle basket and the donation box bring the total to \$7790. A spectacular effort for which we are deeply grateful.

Our staff and student housing has been a great success. We have been able to offer accommodation to three med students so far, and provide a stress-free entry into the community for the Health Centre's new Practice Manager, while she organised permanent accommodation. Four more students are expected throughout the year, and in between student occupants we will offer the house for booking to visitors to the area, or for community use.

We are currently looking for a casual cleaner for the student/staff accommodation in between guests. For more information contact Emily at 07 866 6618, or at colvilletrustmanager@gmail.com.

As always at this time of year, we are on the lookout for donations of firewood to keep the Health Centre staff warm and toasty as they look after us all, and to keep our visitors comfortable while seeking medical help. Any donations would be gratefully received.
