

**COLVILLE**  
COMMUNITY HEALTH TRUST

Good news here at the Health Trust - we have a new Financial Administrator! We are very pleased to welcome Rosemary Garland from Waitete Bay onto our team. She is looking forward to getting to know the community a bit better, and would like to introduce herself here.

Hello everyone,

I moved to Coromandel 34 years ago with my husband and baby. Two more children followed, who now have babies themselves! I am a medical laboratory scientist and in 2007 I re-entered this career at Pathlab in Hamilton for several years. Nearly 5 years ago we moved north to the Colville area and simply love this stunning place.

I'm a volunteer at the Coromandel Elim Church, and for the last couple of years I have been the treasurer/secretary for the Elizabeth Park Body Corporate in Coromandel. My interest in this led me to take an online course in accounts, administration and payroll, and now to the Colville Community Health Trust where I am delighted to be part of this lively team!

Rosemary

In other news, we would like to announce that

**The Colville Community Health Trust Annual General Meeting  
will be held on 12 Sept at 1 PM at the Fire Station.**

**All are welcome.**

I hope the weather is kinder to us all in August. Keep warm and dry, and be careful on those roads.
