

COLVILLE
COMMUNITY HEALTH TRUST

Well, here we are, coming out the other side! In our first post-lockdown newsletter we want to do a special shout out to a couple of local heroes - Shayne and Elizabeth McKenzie of Woodland Honey, who made a large donation to the Health Trust of organic Manuka honey that Dr Kate and her team of experts and volunteers made into a wonderful Manuka Honey-Kumarahou Tonic, being offered for free to our over 65's and anyone else who is high risk for health issues secondary to viral infections during the winter months. If you are in this group, and haven't got your pot of tonic yet, please contact the Health Trust and let us know. Email colvilletrustmanager@gmail.com, or phone Emily at 021 0246 2028.

We also want to thank all who responded to our 2020 Donations Appeal. In a winter where getting together for the usual fundraisers looks unlikely, your generosity has meant we can continue providing the Health Centre with the equipment it needs. If you haven't yet donated and would like to, you can do so through online banking to The Colville Community Health Trust, account number 38-9007-0484491-00 to contribute to equipment purchase, or 38-9002-0885683-01 to contribute to our building fund. Please put your name in the reference section.

Thank you, your support makes wonderful things happen!
