

COLVILLE
COMMUNITY HEALTH TRUST

Autumn is here, a welcome relief from the heat - for some of us, at least. Last month I promised details on some winter fundraisers we were working on, but with the pandemic having an impact on New Zealand, and the government asking for our cooperation through practising social distancing, the plans for these events are temporarily on hold. We will be back in fundraising mode as soon as possible. In the meantime, we are still doing raffles at the Health Centre, and still need donations of items that would make great prizes. So if you have anything you would like to donate, we would very much appreciate it.

Please keep yourselves safe and healthy, and continue to support your community - businesses, services, neighbours and loved ones.
