

Hello everyone,

We at CCHT have been busy fundraising, for both the Health Trust and for The Colville Project as part of our collaboration with the Colville Social Services Collective. Recently our focus has been on The Colville Project's upcoming land purchase. On Easter weekend we had a table of goodies at the Community Market held at the Hereford n' a Pickle. Thank you to everyone who stopped by to offer support. We are also grateful to everyone who donates goodies for our raffles at the Clinic - the latest includes local honey, cosy leg warmers and a woven blanket...just what the doctor ordered to get you through winter.

We are planning a fundraising dinner and dance at the Colville Cafe on 19 May, with Charlie Searancke providing the music. Write it in your calendars now, and keep an eye out for posters going up to remind you closer to the date. A big thank you to Charlie for offering his time and talent. Another great contribution has been made by Coromandel sculptor Uli Christoffersen, who has donated a gorgeous bronze sculpture to the effort, and we extend heartfelt thanks to her. And thank you as well to our own local farming producers who have given a generous donation from the Lamb Chop Competition held in April.

The Colville Project website ([www.thecolvilleproject.nz](http://www.thecolvilleproject.nz)) and Facebook page are both 'live' now, and offer lots of information on the project plans, progress, and how to donate. To get frequent updates, visit the Facebook page and 'like' and 'follow'. A donation of any size will help. You can donate via the website, or by internet bank to Kiwibank Account 38 9007 0484491-06 The Colville Project; or drop in to see us at our small office in the Medical Centre building, 2299 Colville Road.
