

**COLVILLE**  
COMMUNITY HEALTH TRUST

Hello everyone,

The time is almost here! **The Great Colville Re-Fashion Show** will take place on **23 October, 7pm at the Colville Hall**, as part of the **Colville Festival**. Tickets are sold out but for those of us organising it, there is much to do! We need to know exactly how many models we will have on the night, so if you've committed to entering an outfit, please get in touch with Emily at the Trust to confirm your attendance. It's important that we have enough participants, otherwise there will be no show! If you're pressed for time, don't let that deter you - there is a competition category for 'Most Wearable', so an artfully put together op-shop outfit will show the world your belief that clothing can have that beautiful second life that it, and our planet deserves.

We would also like to remind everyone of our support for the visiting health practitioners who come to the clinic to offer their services to our community. These services will remain available as long as the demand for them is there, so to help everyone get the most out of this opportunity, we will be making use of our Facebook and website to post information on dates appointments are available. Another great reason to follow our FB page!
