

COLVILLE
COMMUNITY HEALTH TRUST

Happy New Year everyone! Hasn't this been an amazing summer so far? We hope all of you have had an opportunity to get out and enjoy the sunshine. This is a great time to look back at highlights of the year just finished. Alongside the Colville Social Service Collective, the Health Trust was very active in the Colville Project, and will continue to be in 2019 as two of our Trustees are now on the Board of Trustees for the newly registered 'The Colville Project Charitable Trust'.

Some terrific fund-raising events took place - the Dinner and Dance with Charlie Searancke and News for TCP, participation in three community markets and the Tangiaro Spring Festival, and of course, our ongoing raffles at the Health Centre. A great number of people and organisations volunteer time and/or donate goods and vouchers to support these activities, and we are deeply grateful to all. In the coming year we will be doing 'the usual', but also thinking up new ways to keep the community entertained and supporting what we do. Keep an eye on the Panui for details as they arise.
