

COLVILLE
COMMUNITY HEALTH TRUST

Hello everyone,

Wow, we get the impression there is some excitement building for The Great Colville Re-Fashion Show! There is more information for you in this edition of the Panui. Be sure to pay attention to the leaflet, as some of your questions now have answers. And keep an eye out for new posters appearing around town and online. The most important thing right now is for the whole community to get involved! We need people to buy tickets, be willing to put themselves up on that catwalk (it's just a bit of fun, folks!) , and/or bake up their showstopper cakes for the Cake Competition. We will also have a table featuring great 'non-clothing' upcycle items for sale, so if you have something you can contribute to help us meet our fundraising goals, please consider donating it. All proceeds from the night (after a couple of essential expenses) will go to the construction of the new home of the Health Centre and other key Colville services - the Wellbeing and Education Centre - which is first priority in The Colville Project plan.

See you at the show!
